

## **Cal and Rick Hunt**

cvc, cvcc, closed exceptions

their, every, very, where, out, year, of, for, they, ready, before

Cal and Rick hunt with their dad every fall.

They want to bag a big buck.

It is their fond quest to find a big buck.

When Cal and Rick hunt they must not blab.

They must sit very still.

In the fall, Cal, Rick and dad plot where to hunt.

They want to find the spot

where the big bucks hang out.

This year they think they have the best spot.

It is in a small glen, west of the ranch.

Cal, Rick and Dad prep for the hunt.

They pack their lunch, set out their clothes

and get stuff ready.

Cal, Rick and Dad go to bed at dusk.

They get up before the sun.

The hunt will be a thrill.

Kids on their street have rip sticks too.

Together they are the rip stick gang.

All day long, they twist and twist and ride and ride.

Nick and Seth, Cal and Rick, Lin and Liv,

Viv and Val!

Soon they must stop to munch on lunch.

They have PB and J.

They drink milk.

Back on the rip sticks they go.

Who can go fast?

It is so fun to rip stick!
