## **Reader's Theater - The Ice Rink**

**Narrator:** It is cold! The kids from Jackson Street want to hang out, but where? Nick calls Seth.

**Nick:** Let's go to the ice rink. Let's ask Jill and Beth to come along.

**Narrator:** Nick and Seth text Jill and Beth. They can go to the ice rink!

The ice rink is at the park down the street. It is on a big pond. They have all the luck to have an ice rink they can walk too.

**Jill:** Beth and I made pom-poms for our skates! I am frantic to skate with them!

**Beth:** Me too, Jill! And it was fun to put bells on them too! What kind of rings and tings will the bells make while we skate?

**Seth:** I have the hockey sticks and pucks. Jill and Beth, will you play with us?

**Beth:** I will only play if we split up so I have a boy on my team. I am not good at hockey, but I do like to try.

**Jill:** I second Beth! If Beth and I are on the same team we will not win, and it will not be fun.

**Nick:** We can do that. I get Jill. Beth you go with Seth. Jill can our team name be the Hot Devils?

**Jill:** Sure, I have red skates and devils like red.

**Seth:** Beth what will our name be? I am bad at thinking up names!

**Beth:** We can be the Slink Minks! Minks are fast and swift. Minks never get cold.

**Nick:** The Slink Minks versus the Hot Devils. Who will go first? I will roll dice on my phone. Whoever gets the biggest roll goes first.

**Narrator:** The kids take turns rolling the dice. The Hot Devils go first.

The kids skate up and down the rink, faster and faster. They get hot!

They pant, but they laugh and smile! They have so much fun.

**Beth:** I got the puck across the line two times! I can be top-notch at this game!

**Seth:** You are fast Beth. And you never lost the puck! I am amazed!

**Beth:** Me too. Remember how bad I was at basketball?

**Jill:** Beth you are top-notch at skating. You take lessons! Your skills shine when we play hockey!

**Nick:** Seth and I take hockey lessons. We have good skills too.

**Jill:** Yes! When we live by an ice rink we should take lessons. Skating together helps all of us polish our skills.

**Seth:** Hot Devils versus Slink Minks! Let's do this again!
